DRAWBACK

Poor sanitation facilities in college = our college lack proper sanitation facilities. These dingy toilet have became source of infection for the girls in the college. College authority should made an effort to clean the decade old mess.

Apart from this I don't have any problem.

No

Drawbacks...

1. Behaviour of teachers regarding their personal information should not be shared among students as all have different ways to accomplish something.
2. Teachers are real nation builders but they are mostly not playing examples of social well-being.
3. Teachers are real heroes of each child attending classes after family because education given by teachers is deep rooted ..but unfortunately many of teachers from society became professional.. That needs to focus on .
Improvement..

1. Firstly we should create an environment for all teachers about wellness of themselves.. So that can teach apart from their personal problems and life..
2. Teachers should be punctual organized and functional regarding all their activeness
